## go for it!

We the editors of the 1981 Cavalier, would like to express our theme "Go For It!" a class expression used throughout the hallways of CHS, to you.

Although the Seniors of 81' are out and on their way to success we hope the memories of our final year at CHS are all brought together in the yearbook.

We would also like to extend our appreciation and thanks to the annual staff members for their hard work and many long hours.

Our special thanks to Mr. Wenning, who was always there when times got rough.

We present to you the 1981 Cavalier.

Coeditors,

Mary Ann Spoltman  
Teresa Ruchty

On May 17, 1981, the day most Seniors were looking forward to, finally arrived. Graduation commencement exercises were held at the Coldwater Stadium. It turned out to be a beautiful day. The Salutatorian and Valedictorian both gave a speech. Mr. Miller also addressed the graduates and the audience. Mr. Meyer the President of the School Board passed out the diplomas

### Searching for My Future

This chapter of life is ended  
And a new one must begin  
For the continuing book of my life  
Each memory is written in  
Laughter and good times  
I shall not forget  
Faces and smiles  
Are forever sketched

I won't look back  
Only forward I'll gaze  
Depending on me  
I'll pierce the dark haze  
And I'll travel down that foggy road  
Leaving my family  
Leaving my home  
Searching for a pathway  
To lead me hopefully  
Through a jungle of decisions, of insecurity

Yesterday is stored away  
And now I look ahead  
Ahead towards the future it's pathway I will tread  
And now that I have found a way  
I start off fearlessly  
Down the street where I will meet  
With my destiny

# DRAMA

## CLUB

It seems no magical force could transform the varied personalities of the drama club into a functioning unit of actors and stage crews. Yet the magical force was there. The spotlight and applause changed students into cowboys, indians, and sharp shooters. The personality of the "Wild West" came alive on the stage in a successful presentation of "Annie Get Your Gun."

# MAC Champs 1980

## WE'RE NUMBER ONE!

The 1980 football season turned out to be a great one for the Cavaliers. The Cavs started the season out with a tie against Delphos. Rebounding quickly, they defeated a tough Dayton Jefferson squad. It was the first time we played two MAC contenders twice in a season (Parkway and Marion). The last five games of the season were crucial MAC matches. After defeating arch-rival St. Henry, the Cavs were on their way to winning the MAC title. For the first time since 1976, the Cavaliers were the proud owners of the MAC crown. It was a memorable season for the coaches, the players and fans.

Another "One Bites The Dust" was a familiar song heard after each victim fell against the mighty Cavalier sword. Junior Dan Brunswick takes a break from the action. The mighty Cavalier offense battles it out with Marion. Local.

# SENIORS

1980

The Coldwater team of 1980 selected Jim Sower and Paul Bruggeman as offense co-captains and Bob Wendel and Joe Cron as defense co-captains. The attitude of "believe in yourself" and "go for it" came through as these captains, along with the other senior members, lead the squad to earn the M.A.C title, ending their high school careers in style

The 1980-81 edition of the Coldwater Girls Basketball team enjoyed a very successful year. The team improved as the year progressed, and by the time they reached the tournament trail they were playing excellent basketball. This year's team either tied or set many new records for Coldwater basketball. They hold the record for most wins in a single season, and the most wins overall. During the season they were 18-2 and with a 4-1 tournament record ended the season with a 22-3 record. They were MAC co-champs, Sectional champs, District champs, and Cavalier Holiday Tournament Runner-up. This was a very enjoyable year, and the girls have left Coldwater with a lot of good memories. They have set an example for our younger players to follow, and if they do, we can expect to see many more excellent seasons in Girls Basketball. Needless to say, I am very proud of this team.

Many people have influenced our lives, and we have grown to have a deep respect for them because of it. Among these people are our teachers and the administration at CHS. They have helped to form in our minds and in our hearts the very thoughts and feelings that we are able to conceive. They have given us the opportunity to learn to gain knowledge, and to understand what we need — and will need — to be able to function as adults, successfully. With the guidance and the sincere love these people have shown us — we just might make it. And so, we the Graduates of 1981 wish to express our gratitude and to say, "thank you." We shall be forever in your debt for what you have given to us

"Each happiness of yesterday is a memory for tomorrow."

This class motto means so much to our senior class, the graduates of 1981. Because we realize that in the years to come we will look back at our years in school and reminisce on the happy moments that we shared together. Even now we look into the past and find our recollection of school rather fuzzy. If we look into our history books would the events listed there be the same as we remember?

The year 1969, the year we finished kindergarten and advanced to the first grade, was the year when everything really started. It was the year of Woodstock, the concert which showed the influence music had on people, and the year of a dramatical increase in civil rights

and equality for all. This was also the year the first man walked on the moon. It was one giant step for mankind and a pretty big step for us too

The seventies were years of violence in many ways. It was the time of the Kent State incident, four students were killed and eight wounded. It was during the seventies that abortions were made legal, that capital punishment was reinstated, and eleven members of the Israeli Olympic team were shot by Arab terrorists in Munich, West Germany.

The seventies were an era of a beginning and an end. We were just getting started as we gained knowledge in school and experience in life. But there were many people who passed on during this period.

affecting us in many ways. They died to leave with us their knowledge, experiences — and their memories. Duke Ellington, Bing Crosby, Elvis Presley, Janis Joplin, and many other singers left us with their legends and music which can never be duplicated. The deaths of men such as Harry S. Truman and Lyndon Baines Johnson, who were once the Presidents of our country. The departed actors; Jack Benny, Ozzie Nelson, Ed Sullivan, Charlie Chaplin and John Wayne. The death of Pope Paul VI and the death of Pope John Paul I. Aviator Charles Lingbergh, business magnate J. C. Penney, the very wealthy Howard Hughes, the last of the old masters, Pablo Picasso, and the most famous of all American clowns, Emmitt Kelly, were swept from the spotlight during this period. These great people gave us their accumulated wisdom and an appreciation of their talents and efforts which cannot be replaced — only continued and remembered

These years may also be

remembered for the many changes that occurred. Certainly the ratification of the twenty-sixth amendment, lowering the voting age to 18, has had an impact on our lives. As does the terminating of cigarette advertising on radio and television, the 55 mile speed limit going into effect, the resignation of our President due to the Watergate scandal, the end of the Vietnam War, and the U. S. services academies admitting women for the first time.

The seventies were years of notable accomplishments in many areas. Hank Aaron hit his 715th home run, beating the record previously held by Babe Ruth. The Cincinnati Reds won the World Series two years in a row. The United States celebrated its 200th birthday and Mickey Mouse turned 50. Cleveland went bankrupt, the first city to do so since the depression. These years recorded the largest television audience during *Roots*, and *Grease* displaced *Fiddler on the Roof* as the longest running show in Broadway history. The ancient exhibit of King Tut toured the U.S. and the very first test tube baby was born. And although it seems like yesterday — Americans were held hostage in their own embassy in Tehran and Soviet troops were overrunning neighboring Afghanistan — and the decade ended.

Our Senior year, 1980-81, may be more memorable than any other year. It is the year of the release of our 52 American hostages after 444 days of captivity. It is the year that sky-lab fell, and gas prices soared. John Lennon, member of the legendary Beatles, was assassinated. No-Nuke concerts were held in protest after the nuclear accident at Three Mile Island. Our Olympic Hockey team won the gold

medal after smashing the Soviet Union's team, and our summer Olympic team remained home from the Olympics held in Moscow — a type of silent protest. It was the summer prior to our senior year

It sometimes seemed as if we would never achieve all of the things that led up to this final year of school

In the beginning, the ITA (Initial Teaching Alphabet) was part of the introductory to learning for many of us. We were also taught the legendary 3R's; reading, riting, and rithmetic . . . and spelling

We were educated in many different manners during school. There were the mini-courses such as 'Mulligan Stew.' Projects which were constructed so many times during the years. (What did you make?) We were also taught by answering numerous questions during college bowls.

Our first theatrical experience was our "circus" performance. Were you a clown, a tightrope walker, a camel, or something else? We advanced dramatically with the production of Space Saucer X-2000

The creative ability of some students may have been expressed in the classrooms, on the stage, or on the bulletin board in Mr Knapschaefer's room. Do you remember Willy Wonka's Women's Wear?

We had fun during school too, there were recesses, skating parties, and the highlight of our undergraduate years, the trip to Washington D C. Our class was the first to take this trip, thus it was a type of trial for everyone. Those students who were unable to participate went to Wright Patterson Air Force Museum Both trips enabled us to learn, gain experience, and have a good time While recalling our eighth grade year let's not forget that this was the year the teachers went on strike

Let's also not forget the four "long and hard" years we spent at high school. The trials of surviving initiation and finding classrooms. The enjoyment of attending record hops dancing to "Love Stinks," "We are the Champions," "Another one Bites the Dust," Billy Joel, Bruce Springsteen, and many other songs and singers. Remember choosing our class rings, how we ended up with a tie? Can you recall any of the mythology or Adventures of Huckleberry Finn, that were drilled into us? Have you recovered from the writers cramp we all got writing journals?

It seems like yesterday we were decorating the gym for the prom. This was certainly an activity we will remember for a long time, even though we all developed a certain dislike of tissue paper.

It does not seem as if much time has passed since these events

were part of our lives. Just as sitting in American History, listening to Korean War stories and baseball statistics, and teasing "Spike," were every day events

Many memories that we shall cherish tomorrow were formed during these years. Our senior year, however, is perhaps the most unforgettable of all. The football team capturing the "Big MAC" and the "awesome" performance of the basketball team playing in the "pit," certainly have a place among these memories. So does Civics class, the elections and trials that were held, and the annual Friday news quiz, (otherwise known as: The Dillon Game.) The homecoming dance, the prom, the classes, clubs, and extra-curricular activities . . not to mention graduation are unforgettable

There are so many, many memories! We shall reflect upon some of these with rather heavy hearts. Yet there are times which we shall recall with pleasure. Each of us will have our own special place in our classmates thoughts and each of us will have our own special memories — which will always be with us

# SUPER

# STAR

Although no Olympic hopefuls were discovered, teachers and students, as well as the audience enjoyed themselves at the Student Council and Coldwater Teachers Organization sponsored Super Star event

The competition was stiff, but youth had the advantage, as the students were victorious 222-152

# CHS MUSICAL 1981

## "ANNIE GET YOUR GUN"

"Annie Get Your Gun" is a story of a young backwoods girl from Ohio who is a fabulous sharpshooter and is in love with Frank Butler the star of Buffalo Bill's Wild West Show.

Annie challenges Frank to a shooting contest and beats him. Frank makes her his partner only to find he is shown up by Annie once again. This time Frank leaves the show to join Pawnee Bill.

When Annie and Frank meet again they get into another argument and have yet another contest. However, Sitting Bull and Charlie Davenport decide that it's about time for a merger of a different kind and decide to fix Annie's gun (an idea inspired by Dolly). Annie realizes the scheme and declares Frank Butler the winner. Frank is delighted and offers to take care of Annie and make her his partner forever.

A visit from the Wright Patterson Air Force Band lightened the year for the students. Remember the vocalist? Didn't he look like Mr. Staas? And how could one ever forget the man with the magic toes. It was a super performance which everyone enjoyed.

# FFA BANQUET

The FFA Banquet was a night to remember for Beck Sudhoff. Beck was crowned FFA Queen and was given a bouquet of a dozen red roses and she also received a royal kiss from FFA President Dave Bruns, Kathy Dues and Denise Sudhoff also were candidates on the court.

Dennis Stammen and Kevin Dues were named Star Greenhands and Dave Bruns won the Star Chapter Farmer Award.

Jeanine Homan and Dave Bruns, Kathy Homan  
and Ron Muhlenkamp, and Sue Depweg  
and Dean Huelman

The Juniors worked long and very hard hours preparing for the Prom, but it was worth it. The stars, the flowers, all of the decorations were beautiful. From the moment that you walked over the bridge and onto the floor — the evening was one that shall never be forgotten. Dancing to the music played by the band, or checking out the kissing booth, either way it was a memorable event. As one Junior, Amy Billerman wrote: If this night be for us and the rest of our lives, Let's make it a memory, full of surprise. The lights, the music, the smiles of our friends, Will leave warm, our hearts until the night ends. The sky will blacken as the stars came to light. Let's make it last for we've got tonight

The Junior year is one of the most challenging, yet rewarding years of high school. The challenge was realized while struggling through American History and the ACT test, and rushing around decorating for the Prom; trying to finish before the crucial deadline. The rewards came as we were summoned to the guidance officer — and suddenly realized that it was only one year until graduation. Another reward was attending one's first Prom, which provides the first acceptable excuse to stay out all night.

During the second year of high school it was easier to find the classrooms by the time the bells rang, if they rang at all. Yet, sometimes getting to class late had its advantages. Especially when dissecting worms and frogs in biology and when running laps during Phys. Ed. This second year will always be remembered as the year of class rings and drivers licenses', and good times which will continue on for two more years — at least!

## SCHOOL'S OUT

Graduating seniors will not be the only ones leaving CHS this year. Mr. and Mrs. Haver, who have become a type of tradition at Coldwater, are retiring after teaching a combined 49 years here.

Mr. and Mrs. Haver have proven themselves among the most versatile teachers to enter the Coldwater system. Mrs. Haver has taught English, and Spanish at many grade levels. She was Coldwater's first female phys. ed teacher, and has taught Personal Typing during the school year as well as during the summer. Mr. Haver has taught all levels of Industrial Arts. He has coached basketball, football, and has even helped Mrs. Haver with plays and musicals. The list of extra curricular activities they have provided is exceptional. Mrs. Haver has been the National Honor Society Adviser for 20 years. She has served as the yearbook adviser, scholastic bowl team adviser, cheerleading adviser, and with Mr. Haver's help, she has served as both junior and senior class adviser.

The school has changed over the past 20 years. Mr. and Mrs. Haver have witnessed the building of the new section of the high school, and the second floor addition at North. New classes and sports have been added over the years. The type of student has also changed, they have found. Today's student questions more. They don't accept information as easily as those in the past. After these many years of service, the couple will take a well-deserved rest. They will be leaving May 30 to live on the shores of Lake Erie at Oak Harbor which is located near Port Clinton and Toledo. Their plans include fishing and relaxing, and perhaps returning to school to sub after a year or two. Mrs. Haver says she already is involved in a Oak Harbor Girl Scout Troop as an adviser. A career centered around teaching and working with youth is not easily shaken off, even with retirement.

## COLOPHON

The 1981 Cavalier was printed at the Herff Jones plant in Gettysburg, Pennsylvania. Printed on a 80# paper stock, this year's book contains 160 printed pages, with a copy run of 460 books.

A special note of thanks to Mr. Everett "Buck" Hall. Many times, usually before a deadline, Mr. Hall was asked to develop and print pictures for the yearbook. He graciously sacrificed hours and time to get these pictures done for the yearbook. All of us on the Annual Staff would like to say a big "thank-you" to Mr. Hall for all he has done for this year's Cavalier.
